HL560

The **DARAY**® HL560 head-light is lightweight and comfortable to use.

Utilising LED technology, the HL560 is robust, lightweight and has no heat in the beam making it comfortable for the patient and user.

The head-light emits a near-daylight coloured beam ensuring tissue tones are accurately rendered.

With the benefit of being rechargeable and low power consumption the HL560 is an extremely cost effective head-light.

- 40,000 Lux @ 0.5m (10,000 @ 1m)
- Focusable beam
- Patch size 27mm
- Tilting lens
- Weighs only 140g
- Fully adjustable
- High capacity Li-ion rechargeable battery

Battery & charger
